#### **IT IS RECOMMENDED THAT THE BOARD:**

1. Approve the 2011 Edward Byrne Memorial Justice Assistance Grant Program budget in the amount of \$1,453,511 to continue crime prevention and control programs in the County of Los Angeles (Attachment I).

*"To Enrich Lives Through Effective And Caring Service"*

**Please Conserve Paper – This Document and Copies are Two-Sided  
Intra-County Correspondence Sent Electronically Only**

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The City of Los Angeles (City) and County of Los Angeles (County) agreed to allocate approximately 4 percent or \$121,125 of the total grant for administrative costs incurred by the City and then divide the remaining balance equally, with each receiving \$1,453,511.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The recommended actions support Countywide Strategic Plan Goal 3: Integrated Services Delivery - Maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

### **FISCAL IMPACT/FINANCING**

The 2011 Justice Assistance Grant (JAG) will fund programs for the County's Fiscal Years 2012-13 and 2013-14. JAG does not require a net County cost match.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

JAG was established by the 109<sup>th</sup> Congress in 2005 to aid states, tribes, and local governments in creating programs that prevent and control crime within their localities. It was created by merging the Edward Byrne Memorial Grant Program and the Local Law Enforcement Block Grant Program.

All JAG funded programs must submit yearly performance metrics reports and quarterly financial reports to the Chief Executive Office for processing and eventual reporting to the Department of Justice. Performance Metrics reports require detailed statistical information about each program as well as activities planned for the future. Financial reports require detailed itemized listings of expenditures.

The Memorandum of Understanding (MOU) between the County and the City to jointly accept funds from the United States Department of Justice, Bureau of Justice Assistance for the 2011 JAG Program was executed in February 2012. The MOU is required under grant guidelines.

**CONCLUSION**

Approval of the recommended actions will enable the continued funding of programs that reduce crime and increase public safety in our communities.

Respectfully submitted,

**Bureau of Justice Assistance Congressionally Mandated Awards  
2011 Justice Assistance Grant Budget Narrative  
County of Los Angeles  
Crime Reduction and Public Safety Improvement Initiative**

The County of Los Angeles has participated in the Bureau of Justice Assistance (BJA) funded specialized crime reduction and public safety improvement programs since 1996, through the former Local Law Enforcement Block Grant (LLEBG) program. The County plans to continue on a similar path under the Edward Byrne Memorial Justice Assistance Grant (JAG) by preserving the programs previously funded under the LLEBG program.

**Goals and Objectives:**

The overall goal of the County's Crime Reduction and Public Safety Improvement Initiative is to reduce crime and improve public safety. Personal and community safety is recognized as being one of our most basic needs. The County has been working in a cooperative effort with various justice and law enforcement agencies to target street gangs with the use of search warrants, arrests, and the seizure of firearms and weapons. It is most important for perpetrators of violent gang crimes to be identified, arrested, prosecuted, and convicted in accordance with the law. This is done to protect the public from crime that can ruin the local economy, and have a negative impact on the quality of life for all persons.

Developing specific strategies that target and focus on vertical gang prosecution programs will suppress organized criminal gang behavior and control the impact of gangs on our community. Another component of the County's Initiative, is the management of probationers in order to prevent new crimes. The County's Probation Department administers a variety of services to heighten and promote public safety. County Probation Officers work in a collaborative manner with other law enforcement agencies to prevent and reduce criminal behavior by holding probationers accountable through case management, supervision, and monitoring. Public safety is enhanced when offenders are held accountable and redirected from delinquent and criminal behavior. Strategies to positively impact the behavior of probationers and at-risk youth through early intervention and suppression programs are a key element of Los Angeles County's Crime Reduction and Public Safety Improvement Initiative.

**Law Enforcement Programs:**

**SAGE – Strategies Against Gang Environments**

The Sage program abates street gang violence and narcotic related activities by utilizing civil injunctions and other procedures deemed appropriate by local law enforcement authorities. The program provides collaborative efforts among the Los Angeles County

District Attorney, Los Angeles County Sheriff and the City of Los Angeles Police Department to suppress gang activities in targeted areas.

The District Attorney's component of SAGE provides focused vertical prosecutions, tracks criminal proceedings of notorious gang members, and contributes expertise and local resources to facilitate the successful arrest and prosecution of gang members who commit serious and/or violent felonies. Assigned Deputy District Attorney staff assists in the coordination of probation and parole sweeps by providing guidance and training to local officers on legal search and seizure precedents applicable to the target group. The program also works to suppress and abate street gang activity, graffiti, vandalism, narcotic sales and use, and criminal nuisance properties and related problems that lead to the commission of violent and serious gang-related crimes.

#### Overtime for Los Angeles Sheriff's Department (LASD) – Region I

Funding will be provided to enhance unincorporated services in all Region I LASD area stations including: Altadena, Santa Clarita, Palmdale, Lancaster, Crescenta Valley, Temple and La Crescenta.

#### 287 (g) Program – Los Angeles County Sheriff's Department (LASD)

The 287(g) program authorizes the Federal Government to enter into a Memorandum of Agreement (MOA) with state and local law enforcement agencies permitting designated officers to perform immigration law enforcement functions, pursuant to the MOA, provided that the local law enforcement officers receive appropriate training under the supervision of U.S. Immigration and Customs Enforcement (ICE) officers. Under 287(g), ICE provides state and local law enforcement officers with the training and authorization to identify, and when appropriate, detain immigration offenders they encounter during their regular law enforcement activity.

#### **Prosecution and Court Programs:**

##### Alternative Sentencing Program - Public Defender

The Alternative Sentencing Program enhances the adjudication process of cases involving violent offenders by utilizing paralegals to assist attorneys in securing information for preparation of the penalty phase in capital cases and alternative sentencing reports in cases where there is significant mitigating information to support alternative sentencing. This program presents the Court with a range of sentencing options which offer punishment, control, and accountability, frequently at less cost than jail or prison. This program can reduce unnecessary jail and prison use with a potential for a positive impact upon the management of overcrowded jail facilities.

### Drug Court – Public Health

This program provides court-supervised monitoring and drug treatment for selected pre- and post-sentenced, misdemeanor and felony defendants. The drug court continuum allows for intervention at the onset of drug abuse as well as for more serious offenders to break the most costly cycle of addiction and incarceration.

### Jail Overcrowding Reduction Program - Countywide Criminal Justice Coordination Committee

The Jail Overcrowding Reduction Program will seek to reduce the overall cost of incarceration through the implementation of video arraignment. Video arraignment will result in reduced inmate transportation costs, increased security, a reduced number of jail personnel required when transporting inmates, reduced level of tension by all participants, as a result of eliminating continual inmate movement and the excessive waiting in crowded holding cells and safer inmate interview environment minimizing direct inmate contact and in some cases eliminating inmate contact in its entirety.

### **Prevention and Education Programs:**

#### School Resource Deputy – Sheriff

This program provides various prevention services targeting at-risk youth on a countywide basis. Funds are made available to support eligible programs of community interest and benefit aimed to reduce crime and improve public safety. Los Angeles County assigns staff from law enforcement departments and/or contracts with community-based organizations to provide various prevention services targeting youth at-risk for gang membership.

#### School-Based Supervision Program - Probation

The School-Based Supervision Program increases school attendance, competencies and performance, and provides access to skills and resources needed by parents to effectively parent their children. This multi-phase program involves the placement of Deputy Probation Officers to high schools and middle schools to assess the strengths and needs of at-risk youth in the program. Based on those assessments, case planning exercises will be conducted, and the youth will be entered into one or many intervention treatment programs.

#### Gang Reduction and Community Engagement (GRACE) Project

The GRACE Project is a collaborative effort between Toberman Neighborhood Center and the Los Angeles County Commission on Human Relations to bring intervention efforts to the Harbor Gateway community. The GRACE Project is working to reduce inter-ethnic tension that leads to violence; reduce gang violence and prevent retaliation violence; expand older teen and young adult resources at local parks and community

service agencies; increase public safety; expand prevention and positive youth development resources, and coordinate county services with the Department of Children and Family Services, Department of Public Social Services, Department of Mental Health for high risk youth and families.

Youth Activities League (YAL) - Sheriff

YAL provides supervised recreational and educational activities and reaches economically and socially disadvantaged boys and girls from the age of 8 to 18. The YAL strengthens the relationship between Sheriff's deputies and volunteers as they work together for the benefit of the at-risk youth.

A New Way of Life Reentry Project

A New Way of Life Reentry Project (ANWOL) is a non-profit organization located in South Central Los Angeles that seeks to provide housing and support services in the form of education, job-training and skill building opportunities to formerly incarcerated women and their families so as to provide a successful transition back to community.
